A laptop is shown from a low angle, open and displaying a website. The website has a black background with a large orange diagonal brushstroke. The text 'WEB DESIGN & SEO' is prominently displayed in white. 'WEB DESIGN' is in a bold, sans-serif font, while '& SEO' is in a larger, more expressive, hand-drawn font. Below this, 'MADE BY JAIM' is written in a smaller, clean font. In the bottom right corner of the screen, 'PORTFOLIO 2025' is visible. The laptop is on a dark, textured surface.

Simply soda is simply tasty soda.

The flavors are great. I'm a huge sprite drinker but since I had the lemon flavored simply, I stick to it. Tastes better and much less sweet.
